Granstand III Modular Standing Systems include our *No Transfer Design*, allowing the client to stand directly from their mobility product. Granstand III base design lifts from the wheelchair, bed, mat table, or other surfaces and re-seats client safely and properly onto any of these surfaces.

Standard Features include: Expandable transport base with 3" plastic, height and depth adjustable chest pad, height and depth adjustable clear table top, width and depth adjustable foot system, *Pull-to-Place* seat sling, and height and depth adjustable knee pads.

Granstand III and Kidstand III are available with **Mobile Kits**. The mobile kit allows the client with upper extremity function to be mobile while standing. The mobile kit allows the device to be used as a self-propelled lift/transfer device, as well as a complete standing system.

Mobile System includes: handrims, handrim locks, steel caster upgrade, and front drive wheels.

Specifications	Granstand III	Kidstand III
Client Height Range	5'6" - 6'4"	3'6" - 4'8"
Height Range w/ Mobile Foot System	4'6" - 6'5"	3' - 4'8"
Max Client Weight	275 Lbs.	250 Lbs.

Do Not exceed weight capacity.

Units Shown with optional equipment.

All specifications subject to change without notice.
