KidWalk is available in three sizes: KidWalk EI, KidWalk, and KidWalk II

Standard Features Include: Auto-centering pelvic guides, lateral weight shift, vertical weight relief with adjustable load compensating spring assembly, angle adjustable mast, anti-tippers, wheel locks, quick release wheels, padded seat, adjustable axle position, light up rear casters, two piece frame for easy transport.

KidWalk EI features a wrap around semi-rigid soft lateral system to fit the smaller client comfortably with a minimum of bulky hardware. Ultra low seat height for true EI use and natural gait with dynamic mobility.
